**Example:** Hard-working, inquisitive, and bright, Mason has the remarkable ability to see the best in everyone and everything, and has been an inspiration to us all. Leading by example, he has demonstrated his commitment to protecting and enjoying our natural resources through study abroad in Ecuador, Iceland and Italy; serving as a teaching assistant in a New College seminar; volunteering in an ecology lab on campus; and working as a policy intern for American Rivers. After a summer trip to Ecuador as a research assistant, Mason will begin work at the Sierra Nevada Alliance in Lake Tahoe.
